## Professional Objectives

During my time at SNHU, much of my education has focused on website creation using industry standards of UX design to help present outstanding websites for businesses. Special focus has been on brand creation with a special flare for logo creation. I also have skills in social media and branding and can help companies stand out in competitive markets.

## Related Skills

### *Technical Skills*

- Photoshop, Illustrator, and Indesign.

### *Social Media Expertise*

- Platform management and design.
- Trend spotting for Snapchat, Instagram, Facebook, and Tiktok.

### *UX Design*

- Website building and management.
- UX design both desktop and mobile.

## Work Experience

Disney Theatrical Group  
2021-Present

- Having worked in the theatrical industry for over a decade, I have found my home here at the Lion King. Past credits include American in Paris, Miss Saigon, and King Kong.
- Working at Lion King I oversee continuity of over 100 costumes each night for audiences of over 2,500 people.
- Using problem-solving skills I am able to calmly and effectively anticipate problems and course correct when needed to keep our audiences happy six nights a week.
